# eOPF

ELECTRONIC OFFICIAL PERSONNEL FOLDER

eOPF is an online version of the Official Personnel Folder (OPF), documenting your Federal Government employment history.

- **Provides** secure online access to your OPF
- **Notifies** you automatically by e-mail when a document is added to your folder
- **Exchanges** retirement and HR data across agencies and systems
- **Eliminates** duplicate and repetitive personnel data in the folder

Watch for more information on training and implementation.
